

KISS THE SON!

Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him.” Psalm 2:12

January 19, 2010 ... It has been reported that a 5.8 magnitude earthquake shook the Island of Grand Cayman this morning. This following several Caribbean islands that have felt earthquakes or tremors since the 7.0 magnitude quake which hit Haiti on January 12, 2010. All of these countries are situated along the Enriquillo Plantain Garden Fault Zone. The countries along the region of this fault are being advised to prepare for more frequent earthquakes. The reports further indicate the possibility of an earthquake of the 7.0 magnitude is possible again.

To hear scientists explain the reason for the earthquakes is very interesting. The Holy Scriptures, however, informs us in **St. Matthew 24:7 “For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes in divers places.”** So these occurrences are not a surprise to the Saints of Christ. They were prophesied long ago and are expected to occur as the coming of the Saviour, Jesus Christ draws closer. These are just a few of the signs which signal His return and should act as an indication and warning to the Saints of Christ the need and urgency to draw closer to our soon coming King.

Yes, it is time to “Kiss The Son”! Very often when we want something from someone in a position of importance, we “kiss up” to them. We’re living in the day and time to choose rather to Kiss the Son; daily beseech Him for His continued mercy and grace. We need His protection, His peace, His love, His Help. We should daily draw closer to Him; remain in constant communication with Him so we can experience His presence at all times.

We are unable to withstand His anger. His anger at the sin of disobedience of Adam and Eve still remains true today. At His will, God makes His presence felt by the inhabitants of the earth, some times in dramatic ways to get our attention! Hell is real and prepared for those who oppose the ordinances of God and; contrary to what many people believe, God has prepared the Holy City for those who love Him and He has prepared Hell for those who hate Him. Those blessed by God with the gift of eternal life will inherit the Holy City. Those who disobey Him will inherit hell. These are times when we must turn the search light inside and make sure we are on the right track. It is not about our good works; good works will not save us! It is not about our individual righteousness! That will not save us either. If we empty our bankbooks and our closets and send it all to Haiti, it will not ensure us a place in the Holy City.

It is required that we seek the Lord, as did the centurion and He will lead us to His truth, confess that “Jesus Christ is the Son of God and that God raised Him from the dead” as recorded in Romans 10:9-10; then as he told the rich ruler in St. Matthew 19:17, “keep the Commandments of God. ” God is the only one that can give us eternal life! Blessed are all they that put their trust in Him!
